Sir,

Sub:- Government College, Coimbatore - Opening of Hindi under Part II of the Inter and B. Com courses and new subjects under Part III of the Intermediate.

In connection with the Part II Scheme for 1947-48, I have the honour to submit for the condideration for Government proposals for the opening of Hindi under Part II of the Intermediate and B.Com. courses and two new subjects under Part III of the Intermediate course in the Government College, Coimbatore, from the academic year 1947-48.

2. Coimbatore is ~~xix~~ a leading centre with trading connection in Northern India and there is a great demand for Hindi in both the Intermediate and B.A. courses. It was considered desirable to open Hindi under Part II of the B.Com course started in the college in the current year but permission was refused by the University for the teaching of the subject in the current year. I would also invite the attention of Government to the D.O. letter No.31666 A/46-1, Edn., dated 15-6-1946 of the Secretary to Government and my reply D.O.No. 528 AK/46, dated 21-6-1946. In the above circumstances, the probabl number of students taking Hindi for the B.Com Course will be 30 while for the Intermediate will be 50. Accommodation for holding the classes is reported to be available in the College. I request that the opening of Hindi under Part II of the Intermediate and B.Com courses may kindly be sanctioned. An Assistant Lecturer in Hindi in the scale of Rs.100-10/2-200 will have to be appointed.

3. The Principal, Government College, requests that two new subjects vix., Elements ~~of~~ of Commerce and Accountancy and Economic History of England and economic geography be opened under Part III of the Intermediate course in the College. It is stated that these subjects will be helpful for the students when they are admitted to the B.Com course in the college. There will be no extra expenditure on account of the opening of the new group as the existing staff will be able to handle the subjects. An application fee will have, however, to be paid to the University. There will be a fee income of Rs.3795/- on account of the opening of these subjects. I request that the introduction of these new subjects with effect from July 1947 may be sanctioned.

4. The financial effect of the proposal will be as follows:--

	1947-48	Rs.

Furniture	..	1,750

It is not anticipated that there will be any additional fee income consequent on the opening of Hindi in the College. The strength of the College is fixed by the University and if more students are admitted for Hindi, there will be a corresponding reduction in the number taking other languages.

College - Govt. Coimbatore - opening of Hindi under Part II of the Intermediate and B.Com Courses and new subjects under Part III of the Inter

---

C No. 57702A/46, From the DPI, Roc No. 3093 K2/46 d/30-9

In G.O. No. 811 Edn d/ 15-4-46, the Govt. sanctioned the opening of B.A. (Geography and Maths) and B.(Com) courses in the Govt. Arts College, Coimbatore with effect from the academic year 1946-47. The language to be studied other than English by the B.(Com) students is French. In June '46, H.M (Edn) minuted that it would be desirable that the Asst. Lecturer to be appointed to teach French in the College, should be qualified to teach Hindi also and the option might be given to students to choose either French or Hindi, as Coimbatore is a leading centre with trading connections in North India. The DPI was asked to state whether the suggestion could be given effect to. He considered that it would not be possible to combine the teaching of French and Hindi in one and the same person, that if Hindi was to be offered as an alternative language in addition to French, a separate Asst. Lecturer in Hindi would have to be appointed and that it was then too late to get the affiliation for the new subject (Hindi) from the University. The question was not pursued for the reason that it might be considered in the next academic year (1947-48), the Director being asked to address the Govt. and the University sufficiently early. But no orders were taken on the proposal in circulation.

(9)

and (2) Provision for the opening of Courses on the subjects 'Elements of Commerce & Accountancy and Economic History of England and Economic Geography'.

Note It is stated that the subjects can be managed with the existing staff, ~~and~~ that no extra cost will be involved by way of staff, and that ~~any~~ there will be a fee ~~loss~~ income of Rs 3795/- p.a. by opening these subjects.

2/ Item (1) above Beyond stating that the probable number of students taking Hindi for the B.Com Course will be 30 and that for the ~~2nd~~ Intermediate about 50, the D.P.I. has not furnished any idea of the additional fee income, if any, that may be expected by making provision for Hindi. This information is necessary to see whether this part of the proposal will be self supporting. EPH may be requested to obtain detailed information in the first instance.

Item (2) in para 1 above The proposal may be accepted.

[Marginal note:] These details may be got & incorporated in the Part II scheme note, & meantime this Dept agrees to the proposal going up as a Part II scheme for 47-48.
